

Say hello to
your good-reading
fairy

At New Avalon Sports High,
just about everyone has a fairy.
Not the doxhead related-to-elves
kind of fairies. These are invisible
clothes-shopping fairies,
all-the-boys-like-you fairies,
car-parking fairies, loose-change-
finding fairies. So why would
anyone want to ditch theirs?

*‘Magical, wonderful,
fantastical, and sharp
as a knife.’*
